

MACKEVISION

## Junior / Senior Shading & Lighting Artists (m/f)

Mackevision Medien Design GmbH with headquarters in Stuttgart is a creative and a system partner for visual communication. Experts for 3D visualization, animation, post production and visual effects we design and produce high-quality video and film material. We develop independent system solutions for picture generation. Our customers are international creative agencies, film productions and customers in the automotive, architecture and consumer goods industries as well as in science. From data visualization to creative design to the implementation of projects, Mackevision offers all processes of computer-based video and film generation.

Founded in 1994, the company employs more than 130 people at its offices in Stuttgart, Munich, Detroit, Los Angeles and Tokyo.

As soon as possible we are looking for Junior/Senior Shading&Lighting Artists (m/f) to support our 2D production.

What you may expect

- Realization of demanding projects, mainly in the automotive sector
- Adaptation of 3D scenes for our production pipeline
- Working with major customers from the premium segment of the automotive industry with the highest standards regarding quality and aesthetics
- Self-dependent work in a young and highly motivated team

Qualifications / Requirements

- Excellent knowledge of 3ds Max and Vray
- Know-how in dealing with complex pipelines
- Intensive Interest in high-quality technical visualizations
- Excellent English skills
- Must be able to work alone and structured

You are outgoing, committed and a good team player? Then we're looking forward to receiving your application - Preferably by email. Please provide your salary expectations.
